***Canoe Kayak Canada Fees**

Paddlers are required to pay CKC fees at registration. These fees must be paid whether or not paddlers compete. 100% of this fee is returned to Canoe Kayak Canada, the governing body, to assist in the promotion and development of the sport on a Provincial, National and International level. Exception: Kiddie Kanoes. The CKC fees are separate from the Club fees and cannot be included in family packages. CKC Fees are determined by Canoe Kayak Canada and are subject to change.

Club Fee Notes: Additional family members only apply to immediate family members. Additional members are always the participants in the lower cost category. Kiddie Kanoes classes are 1 hour long, 3 times/week for a 2 week session. Atoms and all other youth age groups practice every day Monday to Friday with the opportunity to participate in weekend Regattas a few times through the summer season. The club fee covers the cost of running the paddling program including coaching, equipment, and other administrative costs.
